User Terms of Service

Effective Date: April 20, 2018

These User Terms of Service (the "**User Terms**") govern your access and use of our online workplace productivity tools and platform (the "**Services**"). Please read them carefully. Even though you are signing onto an existing workspace, these User Terms apply to you as a user of the Services. We are grateful you're here.

First things First

These User Terms are Legally Binding

These User Terms are a legally binding contract between you and us. As part of these User Terms, you agree to comply with the most recent version of our [Acceptable Use Policy](#), which is incorporated by reference into these User Terms. If you access or use the Services, or continue accessing or using the Services after being notified of a change to the User Terms or the [Acceptable Use Policy](#), you confirm that you have read, understand and agree to be bound by the User Terms and the [Acceptable Use Policy](#). "We", "our" and "us" currently refers to the applicable Slack entity in the Contract (defined below).

By choosing I Agree, you understand and agree to Slack's User Terms of Service, [Privacy Policy](#), and [Cookie Policy](#).

+ Message #software

Joining SLACK

Install Window or MAC client: <https://slack.com/downloads>

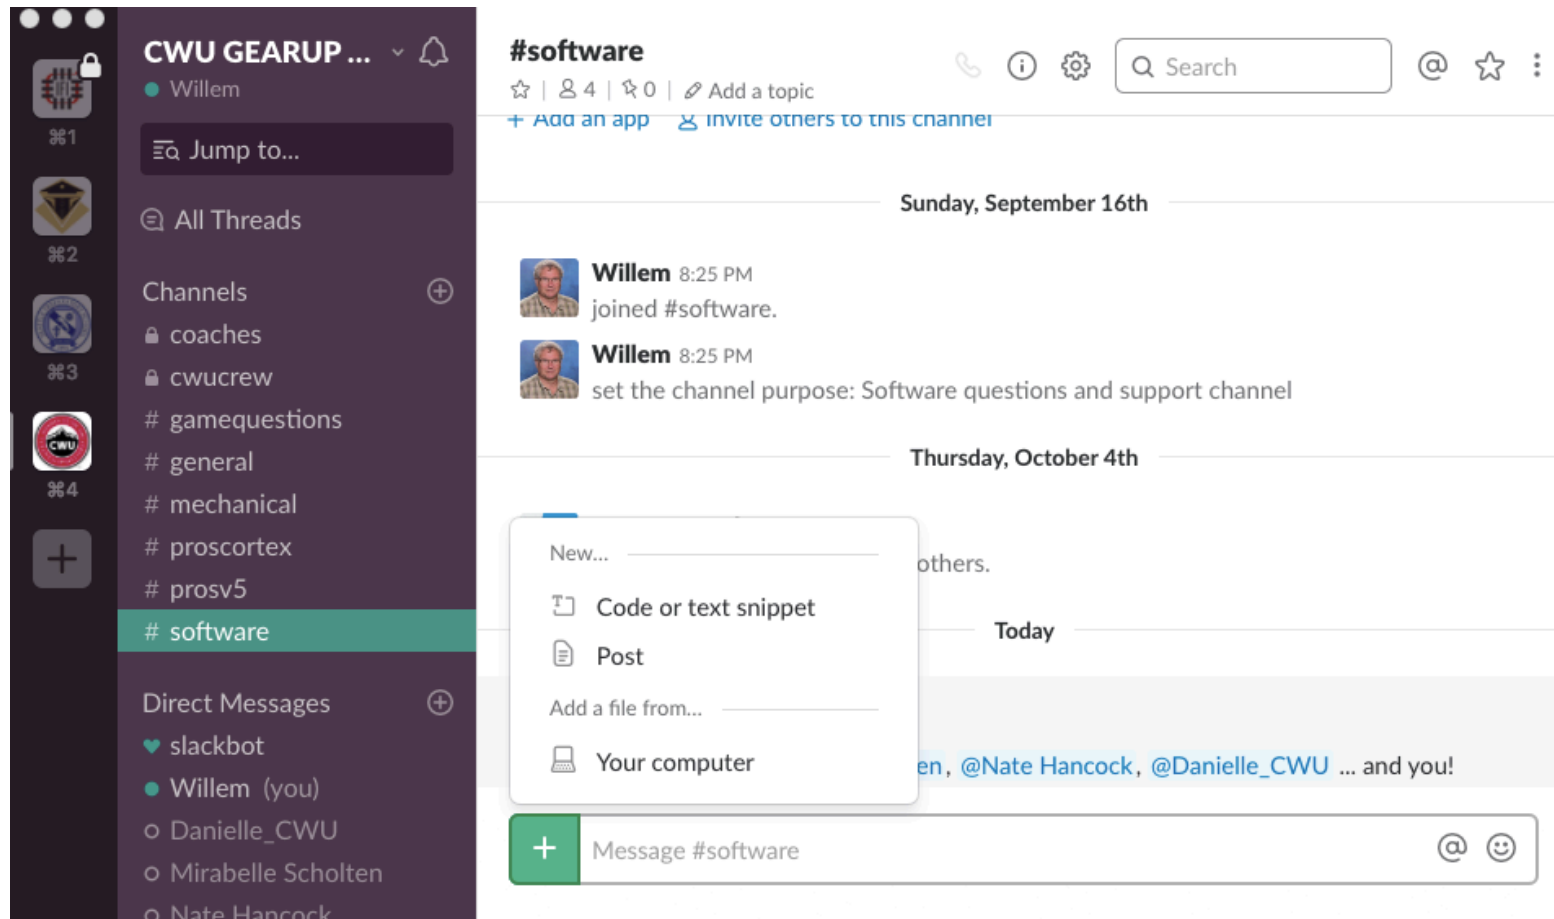

Clients are also available for iOS (iPhone/iPad) and Android (phone and tablet)

The slack workspace for GEARUP is called: cwurobotics.slack.com

Programmers should join the #software channel

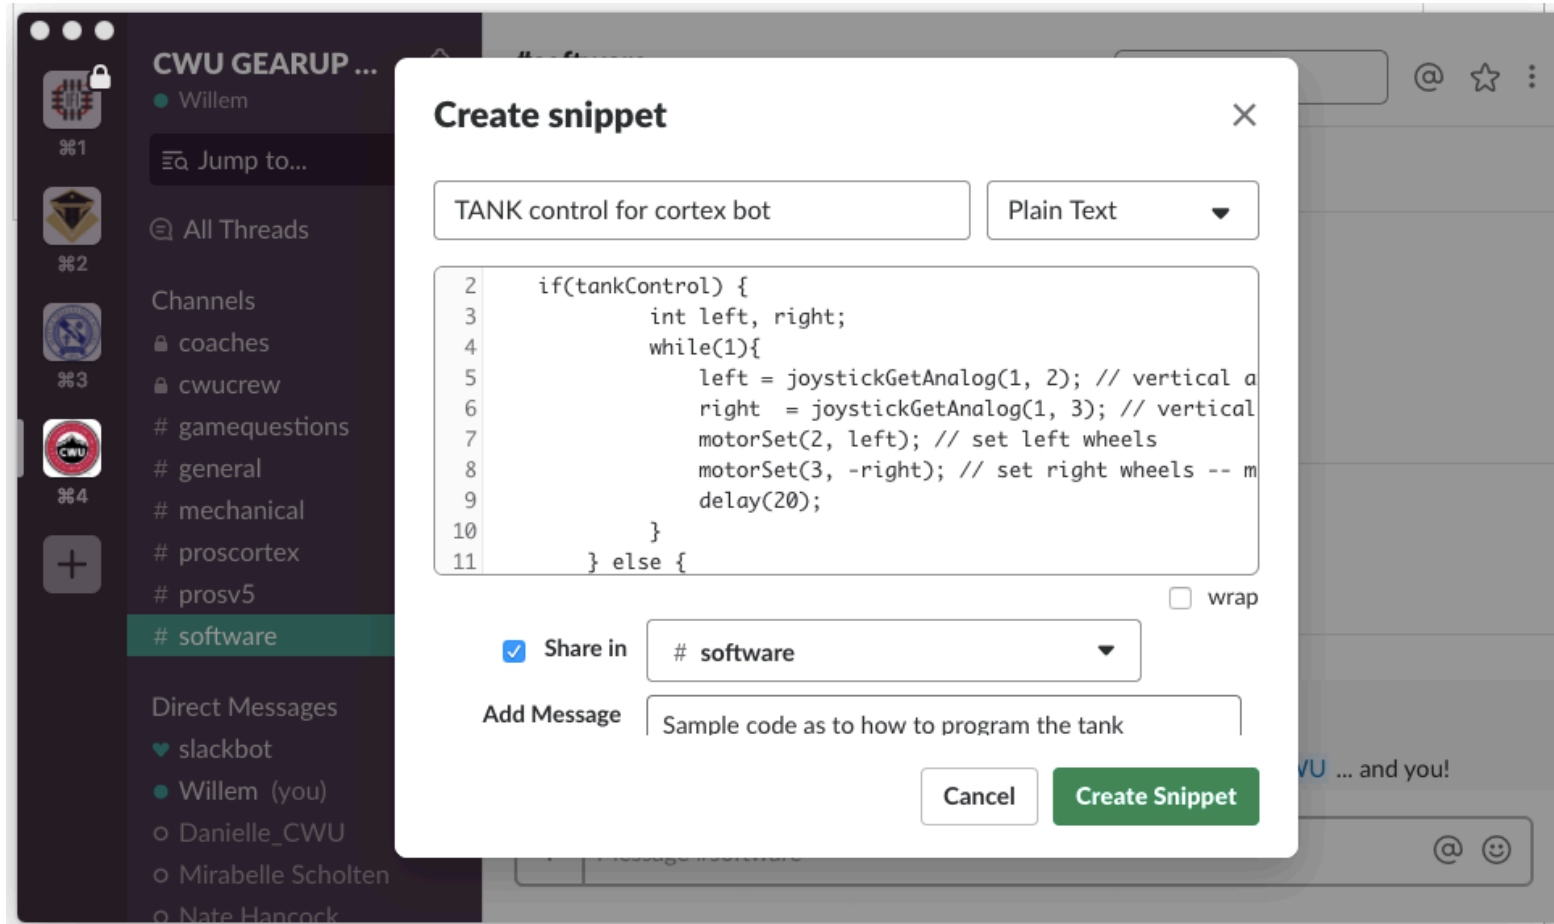

Joining SLACK

To share code to get advise, in the #software channel click on the + and then select 'Code or text snippet'. This will open up a new dialogue, to copy/paste in a segment of the code you want to get help with.

Joining SLACK

Cut and paste the code segment, give your post a title, add some additional message text. Then click 'Create Snippet'

Joining SLACK

Then your question and code snippet will be posted to which people then can reply and offer advise/help.

The screenshot shows a Slack interface for a workspace named "CWU GEARUP ...". The left sidebar lists channels: #coaches, #cwucrew, #gamequestions, #general, #mechanical, #proscortex, #prosv5, and #software (selected). Below channels are direct messages to slackbot, Willem (you), Danielle_CWU, Mirabelle Scholten, and Nate Hancock.

The main view shows the #software channel. At the top, it says "Thursday, October 4th". A message from Nate Hancock at 12:51 PM says "joined #software along with 3 others." Below that, a message from slackbot at 2:55 PM says "Users here: @Mirabelle Scholten, @Nate Hancock, @Danielle_CWU ... and you!".

A message from Willem at 3:14 PM says "Sample code as to how to program the tank control in PROS for the cortex." Below the text is a code block titled "TANK control for cortex bot":

```
1 bool tankControl = true; // if true tankcontrol if false
  arcade control
2   if(tankControl) {
3     int left, right;
4     while(1){
5       left = joystickGetAnalog(1, 2); // vertical axis
  on left joystick
6
```

The bottom of the channel shows a message input field with a plus sign, "Message #software", and icons for mentions and emojis.
